Year 2 Quiz

**Grange Primary
School**

Monday 18th May

1. Share out 24 into even groups (try using objects to help you like pasta). How many different ways can you share out 24 evenly? E.g. share 24 into 2 groups, then try 4 groups, etc.
2. How many items can you find around your home made from metal?
3. Write a list of words which mean shocked.

Tuesday 19th May

1. How many different ways could you make 50p? Use some coins to help you.
2. Which county do we live in? Find it on a map which counties are next to our county. Which is the biggest county in England?
3. Write a book review for your favourite book.

Wednesday 20th May

1. Would you rather live in the Sahara Desert or at the North Pole? Give your reasons.
2. Research what the biggest mammal is and find some facts about it.
3. Can you count up in 3s? How high can you go?

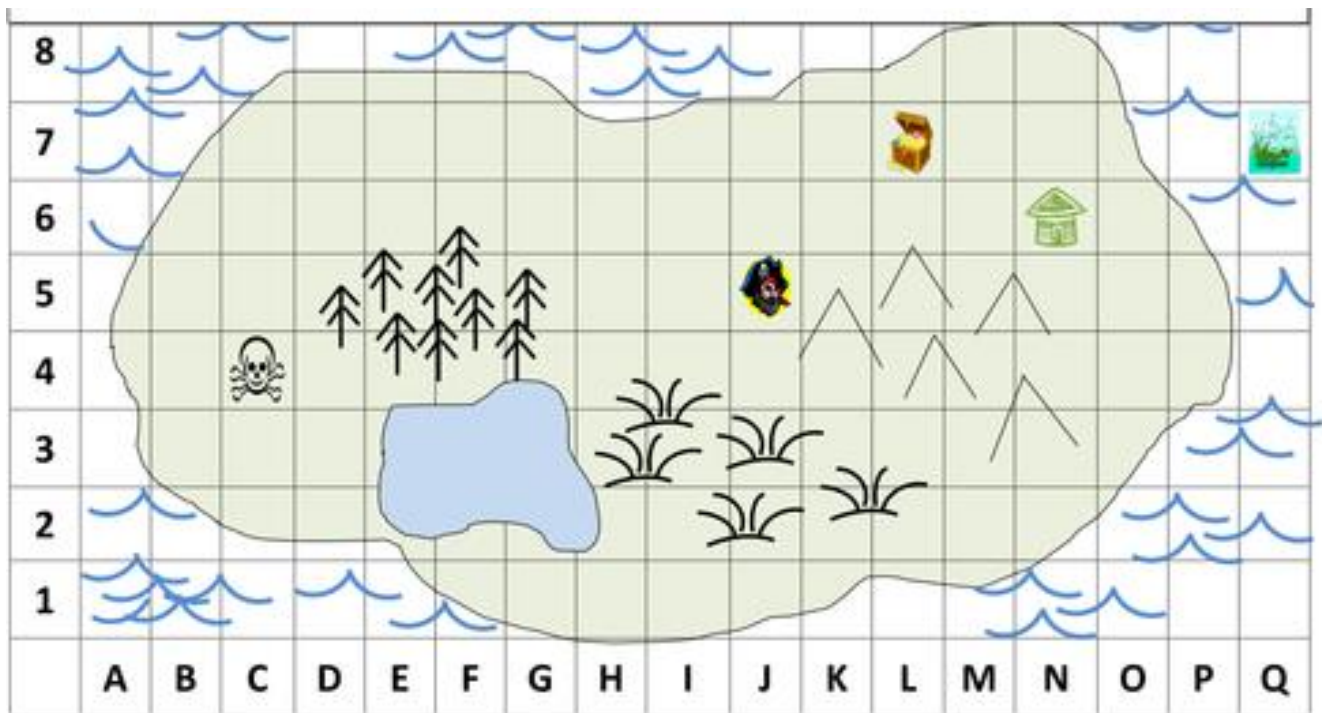

Thursday 21st May

1. Find out where Australia is on a map. Can you find the names of some cities in Australia?
2. Can you put the commas in the correct place in this list?
In my fruit salad I put in apples oranges bananas and grapes.

3. Start at 50. Roll a dice, if the number is even then add it to your total, if it is odd then take it away from your total. What number do you have after 10 rolls?

Friday 22nd May

1. Using this map, what are the coordinates for the treasure, the hut and the captain?
2. Put a flag on G7.
3. Write instructions of how to get from the captain to the skull and cross

bones.
