Year 5 Quiz

**Grange Primary
School**

Monday 27th April

1. Question time!

- What causes the weather to change in this town?
- Can you explain how different types of weather are generated?
 - Who is the figure that lives in the tree?
 - Who do you think lives in the town?
 - How are they similar/different to use?
 - What came first: the town or the tree?

2. Sentence challenge!

Can you add the commas into the sentence below?

Suddenly the streets became flooded with a river of water but people still carried on with their everyday business.

3. Sick sentences!

These sentences are 'sick' and need help to get better. Can you help? Could you add an adverb?

It started to rain. Water came down from the tree. People went inside.

Tuesday 28th April

1. Can you write the number 62,543 in words?
2. What is the longest River in Britain?

3. How long did WWII last? When did it begin and end?

Wednesday 29th April

1. What is the purpose of a switch in an electrical circuit?
2. Before handling food, what should you always do? You could create a poster to promote this.
3. Use your knowledge of place value to calculate the following:
 $1.5 + 1.6 =$

Thursday 30th April

1. Circle the article(s) in each sentence below.

The furniture is glued down to the floor.

It's often difficult to move around a house with no gravity.

I always wonder if I will ever see an alien.

2. What is $\frac{1}{4}$ of 14?

3. At what height does a hill become a mountain? Name 3 mountains (they can be anywhere in the world).

Friday 1st May

1. Can you write a sentence containing a relative clause?

E.G. The figure, who found himself completely trapped, started to panic.

It splits the main clause.

The clause begins with 'who', 'which' or 'with'.

It must supply an extra bit of information to the sentence.

Commas should surround the clause.

2. These sentences are 'sick' and need help to get better. Can you help?

The man was scared. He tried to move but could not. His mind raced.

3. $45839 + 999 =$
