Monday 4th May

Erin began to run with her bare feet being scorched by the cobbles below. No matter what happened, she knew that she had to get away. The plan wouldn't work if she was caught. Erin's breathing got heavier as she raced down the path. She didn't need to turn around to know that an army of thundering feet were chasing after her. Unexpectedly, she came to a halt: it was a dead end. There was no escape.

1. Describe what it would feel like to be Erin in this situation.
2. Find synonyms to replace 'scorched.'
Which word do you prefer and why?
3. What will happen next? Who could the footsteps belong to? Explain.
