

**Last week a rocket took off
and took two NASA
astronauts to space.**

Waffle's Space Adventure

Monday: Space Mission

Check out:

<https://www.bbc.co.uk/newsround/52526849>

Find out the following:

- 1. Who were the astronauts?**
- 2. What country launched the mission?**
- 3. What is the space craft called?**
- 4. Where did the space craft go?**
- 5. Why is this mission different from other space missions?**
- 6. What are NASA hoping to do in the future?**

**Imagine you are
visiting the
International
space station.**

Waffle's Space Adventure

Tuesday: Space Postcards.

**There is little gravity on the
space station, making things
float! Sleeping, running and
eating is very different!**

Make a postcard to send to Waffle.

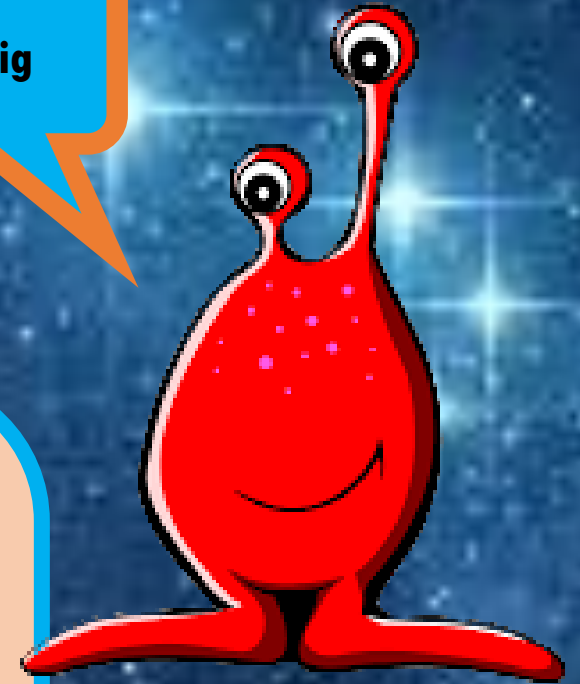

Write him a message on the back.

Waffle's Space Adventure

Wednesday: Alien Maths

I'm a Zig

I'm a Zog

Waffle went to visit the planet Vuv.

On the planet Vuv there are two sorts of creatures. Zigs have 2 legs and Zogs have 3 legs.

Waffle counted 23 legs altogether.

How many Zigs and how many Zogs were there?

Do you think there are any different answers?

Waffle's Space Adventure

Thursday: Design a planet

Design a planet for an alien to live on.

What does your alien look like?

What is its habitat like?

Does it need a light source?

What will it breathe?

What will it eat and drink?

Will it be hot or cold blooded?

What do its young look like?

Does it lay eggs or change as it grows?

Waffle's Space Adventure

Friday: Art Attack

What colour is it?

Make a rocket from Junk Modelling Materials

Does it have a pattern?

What materials are you going to use?
