

Waffle's Bird Adventure

Monday: Bird Feeders

It is bird watching week.

Make a bird feeder and hang it out for the birds to feed from. Here are some ideas...

Mix bird seed and lard together and put in yogurt pot. Add a string to hang it up with.

Hang up an egg box and fill with seeds.

Thread cheerios or berries onto a pipe cleaner or bit of string.

Make a set of tube
binoculars.

Wednesday: Birdwatch

Find somewhere to carry out a bird watch. This can be from a window, a garden, as part of a day trip or visit to a park.

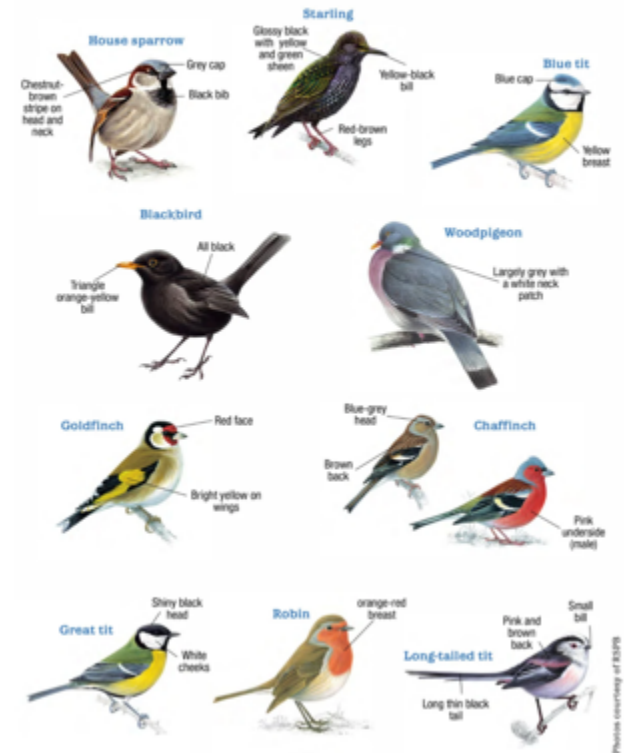

1. Make a tally chart to show how many of each type of bird you see.

2. What is the most common bird you saw?

3. What is the least common bird you saw?

Draw and label a picture of your favourite bird.

What colour is it?

What features does it have?

Birds have different types of feathers.

Thursday: Bird Drawings

Primary and secondary feathers are long and found on the wing.

Tail feathers make up the tail.

Down feathers are short and fluffy and keep the bird's breast warm.

Waffle's Bird Adventure Friday: Robin Rhyme

Learn the poem and
then recite it to
someone from your
family.

Little Robin Red Breast

Little Robin Red Breast sat upon the tree,
Up went Pussy Cat and down went he.
Down came Pussy Cat and away Robin ran,
Says little Robin Red Breast, catch me if you can.
Little Robin Red Breast jumped upon the wall,
Pussy cat jumped after him and almost got a fall.
Little Robin chirped and what did pussy cat say?
Pussy cat said "Meeow!" and Robin flew away.
