

School Uniform Policy

We believe that the wearing of a school uniform enables children to identify with their school, gives a sense of belonging, is practical and smart, reinforces a positive work ethos and reduces expenditure for parents/carers.

Aims:

- All children wear the correct uniform to school which is practical and smart
- Children feel proud to belong to the school and have a sense of community
- Parents/carers share the expectations of the school and send their children to school correctly dressed and ready for their daily schoolwork.
- All children are equal in their appearance.

Guidelines:

- It is expected every child from Nursery upwards will wear the school uniform each day, with the appropriate footwear.
- Most items of uniform can be purchased from the school office. Second-hand items are occasionally available via the school office at prices to be agreed. Regular used uniform sales are held.
- If a child does not wear the correct uniform, a verbal or written reminder of our expectations will be communicated to the parents/carers (see Appendix 1).
- If a child arrives at school wearing inappropriate clothing which causes concern (eg unsuitable for the weather, too revealing, offensive/unsuitable slogans, etc) then the school will provide uniform for the child to wear for the day.
- PE kit should be kept in school **all week** and only taken home at weekends for washing.
- If a child does not have their PE kit in school, an email/letter is sent home to the parents/carers.
- Parents are asked to **clearly label every item** of school clothing with their child's full name.
- The children are responsible for taking care of their own items of uniform.
- There are baskets for lost property located in each building. Any items left unclaimed are periodically disposed of.
- If there is any reason why a child cannot wear our uniform or requires special dispensation (eg health or religious grounds) then the governors will consider sympathetically any such request from a parent/carer.

Jewellery

On Health and Safety grounds, we do not allow children to wear jewellery to school. The exceptions to this are **one** small, smooth stud in each ear and a plain, appropriately sized, proper watch for simple time telling. Earrings **must be removed** during PE or swimming and because of

this we ask parents to **only** have ears pierced at the start of the six week holiday. This is to prevent them from causing injury. Adults in school are not permitted to remove earrings and this is the responsibility of the child or parent. Any jewellery worn in school is the **direct responsibility** of the parent and child.

Wearable Technology

Apple Watches and FitBit etc as well as other well-known brands, have the ability to pose issues when worn in class by the children. Some devices have cameras built in, whereas others have the same communication levels as mobile phones (which are not permitted in school).

Wearable technology such as smart watches which can do more than simple basic functions of telling the time and recording how many steps have been taken etc, **must not** be worn in school. We will allow children to wear a simple digital/analogue watch or a basic smart watch providing the only additional functions are to act as a pedometer etc.

Haircuts

The school does not permit children to have haircuts that could serve as a distraction to other children. For example, Mohicans or shaved patterns. For health and safety and hygiene reasons all children, girls and boys, must have their hair tied up where it is long enough to do so especially for PE.

Makeup, nail varnish, fake nails (of any kind) and tattoo transfers must not be worn in school. Parents will be contacted and asked to remove make up and nail varnish immediately. Children will be expected to wash off tattoo transfers.
